OVERVIEW

The Headshot E-Sport Championship is a competitive gaming event organized by the Technology Subcommittee of the Student Union of the Faculty of Technology at the University of Sri Jayewardenepura. As part of Saviskara, the Technical Art Festival, Headshot unites e-sports enthusiasts, offering a platform for showcasing gaming talent, fostering teamwork, and building a stronger university community. This event emphasizes friendly competition and highlights the rising prominence of e-sports within a university setting, contributing to student growth beyond academics.

ABOUT UNIVERSITY OF SRI JAYEWARDENEPURA

The University of Sri Jayewardenepura is a leading educational institution in Sri Lanka, celebrated for its academic excellence, cultural heritage, and commitment to innovation. It provides a vibrant learning environment across diverse faculties, fostering creativity, critical thinking, and leadership. The university encourages students to excel academically and explore personal and professional growth through extracurricular activities like Headshot and Saviskara.

ABOUT STUDENT'S UNION

The Student's Union of the University of Sri Jayewardenepura plays a vital role in enhancing student life, organizing events, and promoting unity. Through initiatives like Saviskara, the union creates opportunities for students to explore their talents, compete, and celebrate their skills. Headshot exemplifies this mission, fostering collaboration and community through technology and e-sports.

ABOUT US

The Technology Subcommittee of the Student's Union, Faculty of Technology, is dedicated to advancing innovation and teamwork within the university. By organizing events like the Headshot E-Sport Championship as part of Saviskara, the subcommittee provides students with opportunities to showcase their technical and creative talents while engaging with peers in meaningful ways.

INTRODUCTION TO SAVISKARA AND OVERVIEW

Saviskara is the flagship Technical Art Festival of the Faculty of Technology, celebrating the intersection of technology and creativity. The festival features diverse events and competitions that inspire innovation, collaboration, and artistic expression. This year, Headshot adds a dynamic new dimension to Saviskara by engaging the university's gaming community in competitive e-sports.

INTRODUCTION TO HEADSHOT

The Headshot E-Sport Championship is an exhilarating gaming competition held as part of Saviskara. Scheduled for January 18, 2025, at Bandaranayaka Hall, the event features individual and team games, fostering inclusivity and teamwork. Headshot provides participants with a thrilling e-sports experience, showcasing skill and strategy while promoting community and fun within the university's gaming culture.

TEAM TOURNAMENT

1. COD MW 2
2. VALORANT
3. CSGO
4. HALO 2

INDIVIDUAL TOURNAMENT

1. FORZA HORIZON 3
2. BLUR
3. MOST WANTED
4. GRID

HISTORY OF THE HEADSHOT

The Headshot eSports Championship has become a key event for our Faculty of Technology, bringing together students and building a strong gaming community. Since its inception in 2022, it has grown from a small event to a popular championship that now includes the entire university.

First Year (2022)

In its first year, the event was exclusively for the technology faculty with few games and a small crowd. Although it was modest, it helped create a passionate gaming community within the faculty.

Growth in 2023

By 2023, more students joined and the festival grew in size and excitement. The quality of the event improved with better equipment and a more enjoyable atmosphere.

We are committed to continuing the tradition of the Headshot Championship by making it an event that will entertain and inspire the students of the University for many years to come.
